Buenos Aires Grill

City's Best Steak Houses

Review Highlights - "Seattle Steak at its best. . . . I am a very big fan of steaks and fine dining. This restaurant was highly recommended by a friend of mine and also by the concierge at my hotel. Ambiance was great, service was exceptional and the food was to-die-for. They sport a plethora of wines to go along with their famous rib eye. Definitely, a must for tourist and an obligation for steak lovers."

"My experience at Buenos Aires Grill was exceptional from start to finish. The staff was very courteous and prompt, and the food was really something else. Everyone enjoyed the food, and we all had a great time."
